APPLICATION CHECKLIST

The following items are required to be completed or submitted with your application. Incomplete applications will not be considered.

- **Current Speech and Language Evaluation and/or Reports** completed by an ASHA licensed speech and language pathologist. The evaluation should identify the applicant's communication disorder along with standardized assessments demonstrating the need for assistive technology or therapy. Evaluations/reports must be on professional letterhead and dated within two years of the date of application. Evaluations can be conducted by a private SLP or a school district's SLP as part of an IEP.
 - Completed and signed school IEPs can be included as supplementary information and to confirm school services. Treatment recommendations by the speech therapist must be included and the IEP must be current for that school year. Please send only the cover page and pages relevant to speech and language. The IEP does not replace the need for a speech and language evaluation/report.
 - If applying for assistive technology, please include a statement from a speech and language pathologist as to why this technology is required.
- **Documentation of Insurance Coverage** including name of insurance carrier, deductible, number of speech therapy sessions covered per year, and amount that insurance covers per therapy session. If this is not a covered service, you must provide a denial letter from the insurance company or a copy of your Explanation of Benefits page.
- **Copy of Federal IRS 1040 Form.** Please delete or redact all social security numbers. If you cannot provide a copy of an IRS 1040, please contact us via email (info@theorangeeffect.org) before submitting your application.
- **Service Provider Contact Info** including facility and therapist where applicant will be receiving treatment. The therapist must be informed that you are applying for a grant through their facility as the service provider.
- **Formal Quote of Service.** If applying for a grant to be used for therapy, a formal quote of service on the service provider's letterhead must be included with the application detailing cost per session and the name of the therapist who will be providing treatment.
- **Assistive Technology Devices and Applications.** If applying for a grant for an assistive technology device, a formal Augmentative and Alternative Communication (AAC) Evaluation conducted by an ASHA certified SLP must be included stating that different pieces of technology have been trialed and what you are requesting is the best fit for a means of communication. The Orange Effect Foundation awards grants for software applications. An AAC evaluation is required for software application requests. If you require assistance in obtaining an AAC evaluation, contact either your school district or ASHA (www.asha.org).
- **Materials/Devices.** If applying for materials/equipment, please include the following information: a copy of the manufacturer's quote for the cost of the equipment or a copy of the manufacturer's receipt for purchase of the equipment. The full name of the device, price, and descriptive information must be provided.
- **Missing Information.** In the event your application is incomplete, you will be notified via email. You may submit missing information but please note that your application will be held for review and consideration until the next award cycle.
